

Blood donors are urgently needed this summer when our blood supply drops by 20%!
Please help support local patients by donating at our upcoming blood drive. Bloodworks NW provides 55% of the blood in the Portland area. We are the sole provider to all Providence and Legacy hospitals in Oregon along with over 90 other hospitals in the Pacific Northwest.

PORTLAND NURSERY - STARK ST
Bloodmobile
5050 SE Stark St
Portland, OR 97215
Saturday, September 14
